

## ANNUAL REPORT

Good evening, distinguished guests, esteemed Chief Guest **Shri Girija Shankar ji**, eminent Principals, dear parents, and all those gathered here today. It is with immense pride and a deep sense of honour that I extend a warm and hearty welcome to our Annual Function at Little World School.

As we come together to celebrate this occasion, we miss the presence of our dear patron, Dr. Pt. Vishwanath Dubey ji, a visionary and a pioneer in social upliftment, who has played a pivotal role as a trustee of our school. He once wisely remarked, "We are the creative force of our destiny. A man who leads his life with his decisions is the man who leads the world with his ideas.

As we stand at the intersection of the past and the future, we must acknowledge the pivotal role played by our Chairperson, Madam Anjali Dubey. The dreams she envisions for our school have found wings through the wisdom, foresight, and unwavering support bestowed upon her by Dr. Pt. Vishwanath Dubey ji.

Little World School, which was founded in 1992 with just 25 students, has now grown to a remarkable strength of 4000 students. This remarkable journey is a testament to the dedication and hard work of our faculty, as well as the trust and cooperation of our parents. Our school stands as a unique institution where young children are nurtured and transformed into smart, inquisitive, and academically proficient students who are also physically resilient, prepared to face the challenges of real life.

Our school is fortunate to have a dedicated team of 165 qualified staff members who are always ready to shoulder any responsibility in the pursuit of holistic education.

From the experience, and credibility of running an existing k-12 national school, **We** are taking education to new heights with the Little World Learning Centre - the Cambridge early years program.

Little World Learning Centre exemplifies its motto by meticulously crafting a curriculum, selecting toys and equipment, and employing expert and experienced faculty to provide a high-quality educational experience. As the year progresses, we aim to launch Cambridge Primary, Secondary and High School Programs from April 2024.

Our mission is to revamp Jabalpur's educational landscape with innovative learning techniques, fostering a stronger educational foundation and equipping the upcoming generation for future success.
